MOLLY O'NEILL is an Assistant Editor at Katherine Tegen Books, an imprint of HarperCollins Children's Books. Molly began her career in publishing in the Marketing/Publicity department at Clarion Books after graduating from Marquette University. After spending nearly five years working in Marketing, first at Clarion and later at HarperCollins, Molly achieved her long-term goal of moving to the editorial side of the industry, joining the Bowen Press imprint of HarperCollins at its inception in 2007, and joining Katherine Tegen Books in 2009. She is seeking both literary and commercial projects, from picture books through young adult, and looks forward to discovering vivid stories, original voices, and new talent to join her list. Molly blogs about editing, publishing, and the convergence of art and life at www.10blockwalk.blogspot.com.
